Arabic Language for beginners

Class 1, One way connectors

- Arabic Alphabet contains 28 letters.
- Words are written from right to left.
- Arabic is written cursively, with the letters connected to one another,

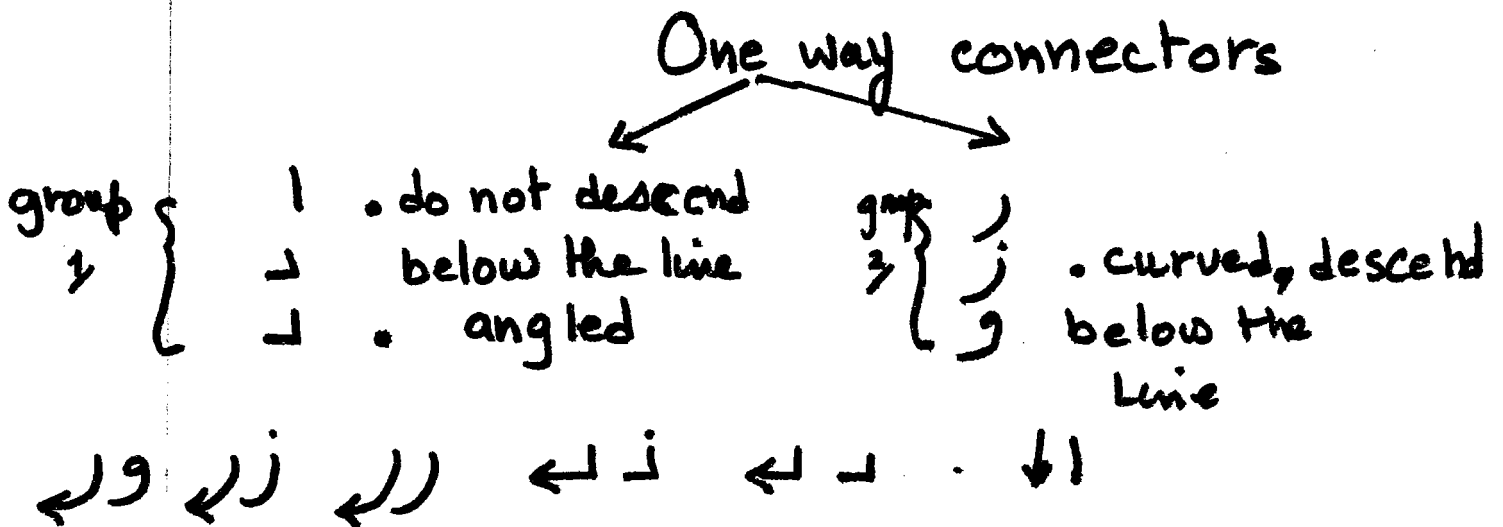

However some letters are connected only from the right side i.e to preceding letters only. These are known as: one way connectors.

One way connectors do not connect to each other.

One way Connectors

Letter	Name	Symbol	Example
ا	alif	a	Apple-far
د	dal	d	door
ث	thal	th	then-this
ر	ra	r	road
ز	zay	z	busy-zoo
و	waw	w	wonderful
