الحمد لله من الرحمٰن الرّحيم
Messages of hope (13)
The white hearts (2)
(The greatest blessing in life)

Insha Allah, today we will continue to learn about the character of those, who have white hearts (sound, believing, soft, united and comfort hearts)

As we learn last week that: the most important character is "The Realization and remembrance of Allah's blessings". As this character is the fundamental base for the rest of characters (love of Allah, being always thankful to him, having trust and reliance on Allah, acceptance of Allah's Decree, being patient during trials and hardships) have Taqwa of Allah and repentance when committing sins.

We also Learned some of the "Laws of blessings" from the Holy Quran:-

" And whatever of blessings and good things you

have , it is from Allah ". Surat (16)- V(53)

The second Law :

" And If you count the blessings of Allah, never will you be able to count them "

The third Law :

" See you not (O men) that Allah has subjected for you whatever is in the heavens and whatever is in the earth and has completed and perfected His Graces upon you (both) apparent and hidden .

Try always to Look up (to the heavens)

to realize the blessings of " rain , sun , moon , stars) and Look down to see the " rivers , sea plants - trees - fruits - flowers - vegetables animals mountains) . Also Look to your self (eyes - ears nose - mouth - arms - legs - brain - heart (spirit) i.e best creation . (hearing - sight and having mind and spirit)

Also Look around to see your family - friends i.e the love - belonging - mercy and affection)

All around are Allah's Blessings .

But the greatest blessing in life is :

" The belief in the Oneness of Allah " Surat 2 - V 254

It is the belief in Allah that provides you

with the whole truth regarding ?

Whom you are ?

What is this life
and what is its
true nature ?

What is my
role in this
life ?
Surat 2 - V 30

- 3
- A human being who shares the same parents with all the humans
(Surat(4) V(1))

- Surat(67) - V(1-2)
- Surat(57) - V(20)

Q How ?
A : Surat(39)
V (11)

- of
- A muslim believer belonging to the nation of believers from Prophet Nuh until the day of judgement
Surat (2) - V 136

(

- Living in Peace with all the creations of the Universe as all prostrate to their Lord - Allah.

Surat (16) - (V 48→50)

obedience of
Allah's Commands
with
Sincerity (to
have the goal of
pleasing only Alla
also to have
the reward
only from
Allah .

Q How the belief in Allah's Oneness can provide me with the comfort, peace, and security ?

A. 1- The answer is in Surat(57). V(22-23).

The belief that everything in my life was already recorded by Allah The Almighty 50,000 years before the creation, provides the spirit with the feeling of total submission to Allah's Power.

2- So it is the acceptance of Allah's Deerece that provides the true believer with the feeling of peace - tranquility and security.

As Allah mentioned in Surat(9). V(51)

(51) Say 'Nothing shall ever happen to us except what Allah has ordained for us'"

It is Allah the One, Who is controlling my past, present and future.

It is Allah the One, Whom I have to call

on for all my needs.

- ∴ It is Allah the One, Whom I have to fear
- ∴ It is Allah the One, Whom I have to put all my trust in.
- ∴ It is Allah the One, Whom I have to Look for His obedience of all the commands.
- ∴ It is Allah, The One , Whom I need His Mercy to support me at the time of trials.
- ∴ It is Allah, The One , Whom I complain to, cry to and refer to Him all my problems.

○ Allah, my Lord - I belief in Your Oneness as this is the greatest Blessing in my life .
